

Visit the Beautiful Victorian House Museum on the Ten Toe Express

TOTAL WALK DISTANCE: 0.28 mile from MetroBus; 0.9 mile from MetroLink

Built in 1866 by Morris Dobschutz, the Victorian House Museum was originally constructed in the Greek Revival style. Many of the furnishings were built by local craftsmen and each of the rooms displays the beautiful 19th century furniture. The rooms, to include a parlor, dining room, library, an office and three bedrooms, show the ornate detail of the home and are open to the public for tours at just \$2 per person, everyday but Saturday. Hours M-F: 10 to 2.
