

Reservoir Park / Water Tower on the Ten Toe Express

TOTAL WALK DISTANCE: .75 mile or more

Compton Hill Reservoir Park and Water Tower can be found on South Grand between SLU Medical Center and Tower Grove Park. The reservoir was the highest point in St. Louis when it was built in the late 1800's. The Water Tower & Park Preservation Society works to preserve and beautify this historic setting.

DIRECTIONS:

- Take MetroLink to Grand Station and transfer to MetroBus #70 southbound.
- Exit the bus on Grand near Shaw, after passing SLU Medical Center.

OR:

- Take MetroLink to Civic Center Station, then transfer to #8 Bates-Morganford. This route will take you alongside the historic Stockstrom Mansion on Russell Blvd.
- Walk to the Park from either bus stop. A complete circuit of the reservoir is .65 mile.

To Increase Your Steps:

- Climb the Tower : Open first Saturdays, April thru November. \$5 admission. 198 steps with 7 landings. Old photos and drawings are exhibited inside. The views outside are delightful !
