

Take a Stroll to the SLU - Frost Campus (West of Grand) on the Ten Toe Express

TOTAL WALK DISTANCE: 1.1 mile

The campus of Saint Louis University west of Grand at Lindell offers museums and walkways removed from traffic. The former streets of West Pine and Spring are now the lovely West Pine Mall with a fountain and statues for everyone to enjoy.

Directions:

- Take MetroLink to CWE Station, then transfer to #10 Lindell-Gravois eastbound.
- Exit the bus at Lindell and Spring, across from the Coronado.
- Walk south into campus toward the clock tower. The historic Cupples House is ahead on your left.
- Turn left at the fountain to walk east on what used to be West Pine Boulevard. The gently winding walkway leads up a slight hill to Grand.
- Retrace your steps to the clock tower and walk west. MOCRA, the unique Museum of Contemporary Religious Art (emphasis on contemporary!), is on your left.
- Continue west to the campus gates on Vandeventer, then retrace your steps. (Restrooms and a snack bar are located in the lower level of Fusz Hall, below MOCRA, or dine at one of the restaurants in The Coronado.)

Alternate Route:

- Take MetroLink to Grand Station and board #70 Grand or walk from Grand Station.
