

Experience Washington University to Delmar Loop on the Ten Toe Express

TOTAL WALK DISTANCE: 1 mile (one-way)

Washington University's Danforth Campus is a lovely place to walk, but be prepared to use stairs. The oldest buildings were part of the 1904 World's Fair.

Directions:

- Take MetroLink to Skinker Station and make your way to the southwest corner of Millbrook and Skinker (diagonally across from Kayak's).
- Walk south on Skinker. Turn right and walk west into the shaded walkway parallel to Brookings Drive.
- Climb the steps to Brookings Hall (or detour to the ramps on either side).
- Pass through the archway. Cross the quadrangle into Ridgely Hall (where you will find rest rooms and a snack bar). Pass through the beautifully restored Holmes Lounge and exit to your right.
- Walk left toward the Library and then bear right on a diagonal.
- A pedestrian bridge to your right takes you over MetroLink and then to Ackert's Walkway.
- The Walkway merges with Melville Avenue to take you to Delmar.
- Retrace your steps to double your mileage or ride MetroBus #97 to Delmar or Clayton Station.

To Increase Your Steps:

- Combine this walk with Ten Toe maps for Delmar Loop, Market in the Loop, Lewis Park or Parkview.
